Let op: Gearceerde vlakken overlappen met vorige pagina's.

The image displays a 100x100 grid of 10,000 small, stylized icons. Each icon is a black and white graphic, often resembling a simplified face or a geometric symbol. The icons are arranged in a complex, repeating pattern that covers the entire grid. The pattern is dense and uniform, with no visible gaps or irregularities. The icons are small and detailed, with various features like eyes, mouths, and limbs, though they are highly stylized and abstract. The overall effect is a highly textured, almost pixelated appearance, reminiscent of a high-resolution digital art piece or a complex data visualization.
